

## **Builders FirstSource Launches Offering of \$300 Million of Senior Notes due 2032**

January 19, 2022

DALLAS, Jan. 19, 2022 (GLOBE NEWSWIRE) -- **Builders FirstSource, Inc.** (NYSE: BLDR) ("Builders FirstSource" or the "Company") today announced that it has launched an offering of \$300 million aggregate principal amount of its 4.250% Senior Notes due 2032 (the "Notes"). The Notes will form part of the same series as the \$1 billion aggregate principal amount of 4.250% Senior Notes due 2032 issued on July 23, 2021.

The Company intends to use the net proceeds from the offering to repay a portion of the indebtedness outstanding under its senior secured ABL facility and to pay related transaction fees and expenses.

Consummation of the offering of the Notes is subject to market and other conditions, and there can be no assurance that the Company will be able to successfully complete these transactions on the terms described above, or at all.

The Notes will not be registered under the Securities Act of 1933, as amended (the "Securities Act"), or any state securities law and may not be offered or sold within the United States or to or for the account of any U.S. person, except pursuant to an exemption from the registration requirements thereof. Accordingly, the Notes will be offered and sold only to (i) persons reasonably believed to be "qualified institutional buyers" (as defined in Rule 144A under the Securities Act) and (ii) non-"U.S. persons" who are outside the United States (as defined in Regulation S under the Securities Act).

This news release shall not constitute an offer to sell or the solicitation of an offer to buy the Notes.

### **About Builders FirstSource**

Headquartered in Dallas, Texas, Builders FirstSource is the largest U.S. supplier of building products, prefabricated components, and value-added services to the professional market segment for new residential construction and repair and remodeling. We service customers from strategically located distribution and manufacturing facilities (certain of which are co-located) that produce value-added products such as roof and floor trusses, wall panels, stairs, vinyl windows, custom millwork and pre-hung doors. Builders FirstSource also distributes dimensional lumber and lumber sheet goods, millwork, windows, interior and exterior doors, and other building products.

### **Forward-Looking Statements**

Statements in this news release that are not purely historical facts or that necessarily depend upon future events, including statements about expected market share gains, forecasted financial performance or other statements about anticipations, beliefs, expectations, hopes, synergies, intentions or strategies for the future, may be forward-looking statements within the meaning of Section 21E of the Securities Exchange Act of 1934, as amended. Readers are cautioned not to place undue reliance on forward-looking statements. In addition, oral statements made by our directors, officers and employees to the investor and analyst communities, media representatives and others, depending upon their nature, may also constitute forward-looking statements. As with the forward-looking statements included in this release, these forward-looking statements are by nature inherently uncertain, and actual results may differ materially as a result of many factors. All forward-looking statements are based upon information available to Builders FirstSource on the date this release was submitted. Builders FirstSource undertakes no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. Any forward-looking statements involve risks and uncertainties that could cause actual events or results to differ materially from the events or results described in the forward-looking statements, including risks or uncertainties related to the continuing COVID-19 pandemic, the Company's growth strategies, including gaining market share and its digital strategies, or the Company's revenues and operating results being highly dependent on, among other things, the homebuilding industry, lumber prices and the economy, including labor and supply shortages. Builders FirstSource may not succeed in addressing these and other risks. Further information regarding factors that could affect our financial and other results can be found in the risk factors section of Builders FirstSource's most recent annual report on Form 10-K filed with the Securities and Exchange Commission (the "SEC") and in the other reports filed by the Company with the SEC. Consequently, all forward-looking statements in this release are qualified by the factors, risks and uncertainties contained therein.
